Community Relief & Empowerment

Diwali 2026

On the weekend of 31 October and 1 November 2026, the Centre observed its annual Diwali drive. Over the course of the weekend, 180 families were supported with a comprehensive set of items to support all-round well-being. These families were selected after a careful screening process by the Centre's voluntary-social workers as well as input from local temple and community-based organisations.

The Diwali hampers were designed in such a way that nutritional support for at least one month was provided. This took the form of fresh fruit and vegetables, canned foods, rice, cereal, oil, sugar and other kitchen staples. This was supplemented by household essentials such as cleaning material and brooms. To bring additional cheer, families were given a box of eats along with a standing fan to provide relief in the upcoming summer months.

On Sunday, 1 November 2026, a special Diwali Programme was held for families at the Ramakrishna Hall, Lenasia. One hundred and twenty families, screened by the Centre's voluntary social workers and local temples attended the hour-long programme which included cultural items performed by the community themselves as well as items by the Centre. In the above image, ladies of the Centre's "Women's Empowerment Programme" staged a musical item in celebration of Diwali.

The families were then treated to a hot nutritious meal consisting of breyani, dhal, salad and soji. Each family was also provided with a takeaway meal for their entire household.

A selection of the items supplied to each household. These items are carefully selected by the Centre's voluntary social workers with input from the Centre's medical wing. This is to ensure that adequate nutrient-rich items are supplied for household requirements. The value per hamper is at least R1,100 per family.
